EXCLUSIVE!

Jessica-Jane Clement's sexy hols!

In a bikini and in Ibiza. It's a compelling mix!

THIS SUMMER'S
been so lame,

it feels like it's done everything bar actually rain indoors. So the smarter lady packs her bikinis and does one to a sunnier, more welcoming country. Like Jessica-Jane, who very sensibly whipped herself off to Ibiza, then whipped off her sarong. We caught up with her as she was about to get stuck into her third primary-coloured drink by the pool... ►

"Nope! I'm definitely not weeing!"

FILM STUFF!

"Like it? It
co-ordinates
with the water!"

Hi JJC! First up, did you catch any of the Euros? Did I heck! I loved walking my puppies

because there was no one on the streets. I thought there was some sort of apocalypse!

Is the best way to approach a British summer to go abroad?

Oh, yes indeed. I love England but the weather's a joke. Last week I started wearing wellies, then my Uggs, then flip-flops, then wellies again!

On that note, will you be in England for the Olympics?

I might flee to Sheffield. I tried to get tickets but had no luck.

Do you ever indulge in a cheeky bit of topless sunbathing?

Of course, what girl doesn't? But my rule is that if no one else goes topless, I won't either. I wait for the first lady to whip her top off then follow. If not, I just try to make my top small as possible, to the point where I might as well just take it off.

Can a bloke ever pull off Speedos?

I love a giggle, so I say yes to Speedos! It's one of the only opportunities to see a male camel toe. The only men who don't like wearing Speedos are those men who don't have anything to fill them.

How good are you at bombing, belly flops and general swimming pool horseplay?

I'm more of a steps girl – I lower myself in slowly, so you'll never see me belly flopping! I do love witnessing a dive that accidentally turns into a belly flop. I'm also very wary of the fact that everyone pees in the pool. Why would you walk all the way to the loos when you can have a cool down and wee at the same time!

Ew! Will there be another series of *The Real Hustle*?

There are no plans at the moment, but I'll always be a swindler at heart!

"Time for a nice
bit of air flute"

"Hmm, the forecast
was right about
isolated showers"

London's F1 plan!

Grand Prix for our capital, anyone?

YOU'D HAVE to be French or something to not think this is brilliant. Launched last week by McLaren sponsor Santander, and bank-rolled by £35m of F1 supremo Bernie Ecclestone's cash, it's a plan for a 3.2mile thrash around London's world-famous landmarks.

Around 120,000 spectators would line the course, which would include a 180mph straight screaming down Piccadilly and pass the London Eye, Big Ben, Trafalgar Square and Buckingham Palace.

With the Queen waving like a loon from her balcony when they whizz past, presumably.

CITY CIRCUIT!

THE COURSE!

Button agrees!

The smiley driving ace would love a London GP!

Hi Jenson! What are your thoughts on a London Grand Prix?

There have been times when I've been sitting in the back of a taxi and thought, "This would make a good corner on a racetrack." I think it'd be spectacular and would add to the city's status as one of the world's greatest sporting capitals.

You've "driven" this track in a simulator. What do you reckon to it?

When you learn a new track you need clear reference points – where to brake, where to turn in – and it was a surreal experience as you'd suddenly register that you were on the streets of London. A landmark would flash by and you'd go, "Oh, right, that's the Houses of Parliament!"

How does it match up to the other street races?

All F1 drivers love street circuits like Monaco. But the geography here is more open. It'd make the track stop-start in places, a bit like Singapore.

It's the last lap and you're side-by-side with Michael Schumacher into Trafalgar Square. Who gets through Admiralty Arch first?

A part of you says, "Don't damage anything!" while the other says, "Go on, add a bit of history of your own!" That's a part of the circuit that has to be seen to be believed.

"Do I have to bow every lap?"

"So is this bit inside the Congestion Charge zone?"

"Bloody London traffic!"

Tragically, this is an artist's impression

Nuts backs Becks for team GB!

He's not in the Olympics and we're not happy!

PICTURE THE scene: 89 minutes of the Olympic football final have gone, Britain are drawing 2-2 with Argentina, and we get a free-kick on the edge of the area. Up steps David Beckham to curl the ball delightfully into the... wait a

minute! That can't happen because Becks – England legend Becks, single-handed Olympics winner Becks – hasn't even been selected! Well, we're not having that and neither should you! So cut out this coupon and ping it to Team GB and join us as we say: bring back Becks!

To: Stuart Pearce,
c/o The Team GB

Dear Psycho,

I, the undersigned, believe that you may have made a bit of a boo-boo in not selecting David Beckham for the Olympics, but don't worry. Just let one of the other players know that they won't be needed, put David in the team in his place, and we'll pretend this didn't happen. Cheers!

Stunting Black Hawks separated by a metre of air!

WE'RE NOT sure what's more dangerous for these Colombian military pilots – buzzing each other three metres off the ground and one metre apart at an air show or their day job, buzzing heavily-fortified encampments of armed-to-the-teeth drug barons.

With the audience slightly less likely to pull out automatic weapons and spray them with AK-47s, we're going for the former. But, either way, you'd think they would opt for a lie in, cleaning the pipes and a *Call Of Duty* marathon on a day off, not risking their lives in new and interesting ways!

Black Hawk facts

- The UH-60 Black Hawk helicopter first entered service with the US Army in 1979 after beating a Boeing Vertol YUH-61 in a fly-off.
- **Black Hawks have served in combat during conflicts in Grenada, Panama, Iraq, Somalia, the Balkans, Afghanistan and the Middle East.**
- Modified Black Hawks were used in the mission to kill Osama bin Laden. Mods included stealth and quiet running tech. One helicopter ditched and had to be destroyed.

A quick word with Andrew Garfield

The web-slinger on stunts, paparazzi and the Spidey suit!

➔ Hi Andrew! Are you ready for the level of craziness that will surround you now that you're Spider-Man?

I think I'm ready for it. I like normal things. I like to walk in the park, grab a coffee, so I'd like to continue doing those things without having a f**king camera stuck up my nose. We'll see what happens. I can't complain though. Jesus! They've let me be Spider-Man. That's a trade off I'll take any day of the week.

How awesome is it to play a superhero?

Spider-Man gave me so much when I was growing up and inspired millions of people like me around the world, so I took this project very seriously. I truly adored this guy from the age of two. In fact, there's probably a picture of me out there as a five-year-old, going to a mate's birthday party, wearing a Spidey suit...

Can you see anything of yourself in Peter Parker?

Well, I'm skinny like him! I also liked the idea of this

skinny boy beating up big boys – it is incredibly satisfying to see and even more amazing to do. Peter Parker always gave me hope growing up that you didn't have to be 6ft 7 or the most outwardly confident individual to make a mark on the world.

Tell us about the Spidey suit. It's snug, right?

Let's just say it was skintight – embarrassingly so – and made out of the world's most uncomfortable material.

Is it true that when co-star Emma Stone first saw you in the costume, you'd somehow given yourself a wedgie?

That's a made-up piece of sh*t! Don't believe what you read on the internet! You can't have a wedgie with a one-piece suit! Look, I'm not going into the details. Let's just say it was definitely a weird experience. A costume like that doesn't do you any favours.

Did you do your own stunts?

A few, but couldn't get involved with them all – they knew everyone would be out of a job if I died! I wouldn't leave the set even during the stunt sequences because I wanted to make sure the physicality was right. It had to look and feel like Spider-Man. It couldn't be Jason Statham wearing a skintight red and blue suit.

What preparation did you do for the role?

I went and hung out with spiders at London Zoo and became unreasonably excited when I came into contact with them. I loved studying how they moved and trying to

incorporate what I learnt into what I was doing. I wanted it to look like the character's DNA had been fundamentally changed.

Do you imagine what it'd be like to be bitten by a radioactive spider yourself?

Every day! I reckon it would scare the f**k out of you! You'd think, "Am I going to grow more legs or more eyes? Am I gonna shrink? What the f**k is happening to me?" That wouldn't be fun, it'd be terrifying. You'd want to go and see a doctor not go jumping across f**king buildings!

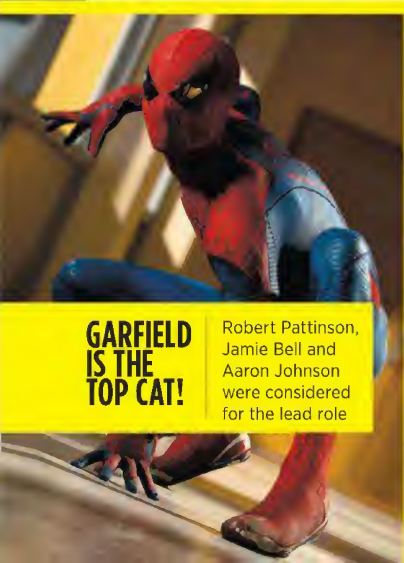

If you had Spidey sense, what would you use it for?

Good question. Let me think. OK, I'd like to be aware of when the paparazzi are around and then, er, kill them! Yep, that'd work!

● *The Amazing Spider-Man* is in cinemas now.

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,
100% REAL
LESBIAN!**

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

She's making me skint!

My girlfriend is bleeding me dry financially. She always wants me to buy her designer clothes and take her on expensive holidays. How can I persuade her to lower her expectations?

BERNIE Matlock

It's your money and you must have self-control. She's only becoming greedy because you let down your boundaries with her. Simply tell her what she's doing. A good shopper knows how to make an outfit look expensive for less.

I can't finish!

When I'm having sex I find it really hard to finish the job. I'm a good-looking guy and I've been with some hot women in my time, who I've really fancied, but when I'm having

LETTER OF THE WEEK!

My mate's ruining things!

My mate is constantly ruining my relationships. We've been friends since we were kids, but every time I get a girlfriend he messes it up by being vulgar and rude to the girl I'm with. They always end up dumping me because of him. How do I tell him to stop being such an idiot?

TODD via email

I can tell you're a loyal friend as you mention you've had several relationships with him around, but most people would have sacked him off by now. Do you think he's jealous that you get women and he doesn't? Perhaps you should help find him a girlfriend to keep him occupied.

sex, it's always quite difficult to come. What's wrong with me?

ANDY South London

You don't say how old you are, but older men can have difficulty coming. There may be a medical reason, or it could be psychological. Check with

your GP. If it looks like it's psychological try more intense fantasising while you're making love. Let your mind roam free to whatever turns you on most – it can be anything as long as it's not nasty or degrading.

Is she easy?

I've started seeing a girl at uni and things have been going great, but my mates keep telling me she has a reputation around campus. She hasn't cheated on me but I'm finding her rep a bit off-putting. What do you think?

GREG Lincoln

You need to be careful and look after yourself. Does she cuddle you or just shag, drop and run? This will be a clear indication of whether she intends to stay around. Judge the situation wisely. Equally, who cares if she's slept with half the university? After all, practice makes perfect!

A full-page photograph of Holly Peers against a bright blue background. She is wearing a pink halter-neck crop top and white denim shorts with a zipper. HOLLY PEERS

Holly Peers!

Gents, it appears summer is here at last!

Hi Holly! How are you enjoying summer? Well, the other day I got up and it was sunny so I left the house in a vest and flip-flops. By the time I hit London, it was pouring with rain. Typical.

If we went on holiday with you, what could we expect?

Well, when we shoot abroad the photographer always has to stick some beers in the fridge for me. By the afternoon, I've built myself up into a giddy state and I'm yelling at people to come out with me!

What's the most embarrassing thing you've done on holiday?

Me and Sam Cooke were in O'Neill's in Tenerife doing horrific dance moves. The other girls played a film of it back the next day – we looked like the boys from *The Inbetweeners*!

So, you don't do sophisticated holidays then?

No. People assume we spend the whole night being chatted up, but guys are scared of us. We're so embarrassing and stupid, we're unapproachable!

Rosie Jones tells us your nickname is "On The Beers".

Who's the most out of control?

Rosie! She threw a candle and it hit me in the eye! She can be quite vicious. You can be ignoring her one minute, then the next she's getting punchy.

Have you ever come to blows?

Well, we were ring girls for a boxing match and she insisted we have a play fight. We were wearing tiny hot pants and vests. As I'm northern – and therefore harder – I easily beat her and got on top of her but, to stop her screaming, I put my hand over her mouth. Then she bit me! She bites!

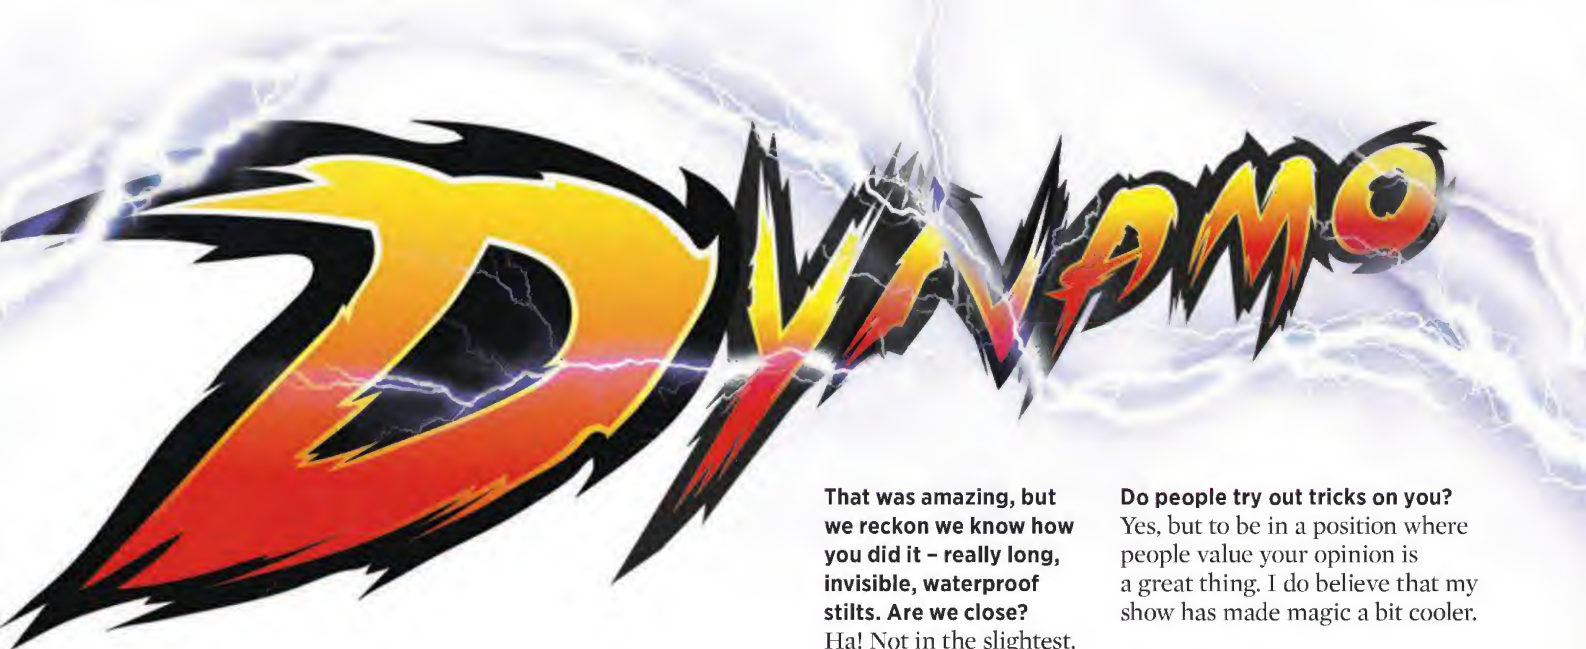

Then what happened?

Well, she tweeted that I bit her and all her followers ganged up on me! One of the other girls has a video of the scrap somewhere – we should make it go viral!

“During a play fight, Rosie Jones bit me! She bites!”

The brilliant magician on making Pharrell scream, Ant and Dec and his brand-new series!

Hi Dynamo! We heard you got into magic at school to scare off bullies. Is baffling your enemies better

than standing up to them?

If I was in a position to stand up to them, that would've been an easier option. It wasn't to scare them off, it was to stop them from picking me up, putting me inside a wheelie bin and throwing me down a hill, which they did every day. My grandpa showed me a technique to take away someone's strength so they couldn't pick me up. They were flummoxed, ran away and left me alone. So they didn't look like pussies around the school, they spread these rumours that I had crazy powers and word got around that I was this demon child. So I started playing on my freaky skills and the rest, as they say, is history.

Blimey. So what can we look forward to in the new series?

Obviously, more magic. First time around, people didn't really know who I was. It was easy to stop people in the street. Now we have to stop people stopping me in the street because it's causing a roadblock! Magic is all about the element of surprise. Now people know who I am, I've had to step up my game. I walked across the Thames in the first series. It's hard to beat that.

Dynamo's ace tricks!

WALKING ON WATER!

Dynamo strolled along the shore of the Thames then carried on walking until he was standing in the middle of the river!

LEVITATING LINDSAY LOHAN!

Dynamo lifts the Hollywood babe three feet in the air from her bar stool, apparently by simply taking hold of her hand. Freaky!

SCARING RIO FERDINAND!

Dynamo gets two chaps to hold a coat in front of him which he ducks behind then disappears, before re-appearing on the other side of a window!

That was amazing, but we reckon we know how you did it – really long, invisible, waterproof stilts. Are we close?

Ha! Not in the slightest. One of the things I've done for the new series is the scariest thing I've done in my life. If it had gone wrong, I could have died. Some of the other big stunts we haven't done yet. Things will happen, you'll read about them the next day, then you'll see them on telly. It's very exciting.

You're from Bradford. Do you go home much? Could you magic up a new shopping centre? Bradford needs one!

They're doing a Westfield! I get to go back once every couple of months but not as much as I'd like.

Which celebrity reaction has been your favourite?

Pharrell Williams. I pulled a Polo out of my neck and he ran away screaming. Pharrell's cool – he's not the sort of guy you'd expect to see screaming. Then I stole his bank details. He changed colour. He went pale in fear that I was going to go and steal his money. But my best reaction was when, after seeing me perform magic on the internet, Snoop Dogg turned to his laptop, found a beat, put it on full volume and started freestyling!

Do people try out tricks on you?

Yes, but to be in a position where people value your opinion is a great thing. I do believe that my show has made magic a bit cooler.

Is there an illusion you'd like to do but haven't worked out how to yet?

Wait for the next couple of seasons. I've got a five-year plan.

Yorkshire accents are supposedly quite trusting. Does that help you with your magic?

Ha! This is false information. Would you trust a Geordie?

Erm, well, how about Ant and Dec?

I'd trust Ant and Dec but I wouldn't trust any of that lot from *Geordie Shore*. Ha! The Yorkshire accent is very warm. I have my Grandpa's northern charm ingrained in me.

You know that time you levitated Matt Lucas at the Emirates? Did you wish you'd levitated someone smaller, like Richard Hammond?

I levitated Lindsay Lohan in Singapore before Matt Lucas. She was good practice. There's levitation in the new series that I think is going to surpass that.

Ever use your powers for evil?

All the time. Every day.

Or to woo a lady?

It doesn't hurt!

Would you be prepared to let *Nuts* have a go at sawing you in half, even though we've no idea how to? Um. Can it wait until after dinner?

Thanks, Dynamo! Finally, who'd win in a fight between you, Derren Brown, David Blaine, Gandalf from *Lord Of The Rings* and Harry Potter? Me. Obviously. I'm from Bradford!

● *Dynamo: Magician Impossible* is on Thursdays at 9pm on Watch

VICTIM WAS SKINNED AND PUSHED THRU A MEAT GRINDER.

The Zemun Clan from Serbia are among the most feared gangs in Europe – with good reason. *Nuts* investigates...

THE TEAM of Spanish detectives sent to a nondescript downtown flat in Madrid could scarcely believe what they had been ordered to look for. They had been told by their compatriots in Zagreb, Croatia, to look for anything which might have been used to dismember a body – a meat grinder, a filleting knife – and should they still be there, bones or blood. Somewhere in the apartment were also supposed to be paper documents that would confirm a horrific murder.

THE BUTCHER

From his police cell in Zagreb, Serbian gangster Sretko “The Butcher” Kalinic, the favoured hitman of the feared Zemun Clan of Belgrade, had turned informant and was confessing to his crimes. Wanted along with dozens of other Zemun associates for the assassination of their country’s Prime Minister, Zoran Djindjic, Kalinic had finally been captured after being on the run across Europe for six years. However, Kalinic, under the orders of his boss and accomplice Luka Bojovic, hadn’t merely been hiding out during that time. The duo had been hunting fellow Zemun cohort Milan Jurisic, also wanted by Serbian police for the murder of minister Djindjic, who they believed had stolen money from them. Unfortunately for Jurisic, his fellow gang members caught up with him.

In his Madrid hideout, Jurisic was tortured then beaten to death with a hammer in 2009 before Kalinic and

Bojovic skinned him with a knife, removed his bones and pushed his flesh through a meat grinder. They later used parts of him for a stew and ate him before turning his face into a macabre mask. Afterwards, the pair cleaned the flat, removing any trace of the bloodbath before going back into hiding.

Earlier this year Spanish police, acting on Kalinic’s confession, dredged up 50 bones belonging to Jurisic from the River Manzanares, where the gang had discarded them. Part of a meat grinder was found in the flat, as well as paper records of the murder which gloatingly corroborated the full story.

LUST FOR VIOLENCE

Many of the Zemun Clan honed their skills as part of Captain Dragan’s Red Berets and Arkan’s Tigers, both groups being linked to atrocities during the Yugoslav Wars of the ’90s. When the fighting ended, men such as Bojovic and Kalinic, put their skills to use in organised crime, becoming part of the Zemun, who ran drugs and guns all across mainland Europe.

Kalinic’s favourite murder method was breaking his victims’ bones with a hammer then disposing of their body in acid or dismembering them and

throwing them in rivers. He was finally arrested in June 2010 when a fellow gang member shot him and left him wounded in a Zagreb street. He agreed to cooperate with police, yet it’s taken until now to piece together his murderous spree.

It’s this insatiable lust for violence, allied with their military training, that makes the Zemun Clan so feared across Europe, says author of *Gangs*, Tony Thompson. “These are people who operate with a level of brutality and bloodlust that hasn’t been seen since the early days of the Russian Mafia and Jamaican Yardies. The main reason for their success is that most other gangs are terrified of them.”

ASSASSINATION

The Zemun removed anyone who stood in their way, most audaciously the Serbian Prime Minister Djindjic, who was killed just as he promised tough crackdowns on organised crime. The group tracked his movements for months – once attempting to kill him by shunting his car off the road in a jeep – before brazenly shooting him dead outside his office.

The Zemun Clan

LUKA BOJOVIC
Became leader of the clan and one of Europe’s most feared underworld bosses. Linked to at least 11 murders before finally being captured in Spain this year.

SRETKO KALINIC
Has been sentenced to 35 years in prison for his involvement in numerous murders such as the President Djindjic murder. Tried to break out of prison in February.

VLADIMIR MILISAVLJEVIC
Regarded as one of the Zemun Clan’s key members. He was finally arrested alongside Bojovic in Valencia in February this year.

MILAN JURISIC
Long presumed dead, this was confirmed when Spanish police found his bones in the River Manzanares. He’d been tortured, hammered to death, then eaten.

MILORAD ULEMEK
Convicted of masterminding the killing of Djindjic – though another man, Zvezdan Jovanovic, pulled the trigger. Sentenced to 120 years in prison.

ED
OUGH

After the murder of several key Zemun leaders in 2003, it's believed Bojovic took over the clan. Their global reach was demonstrated when five Serbian drug couriers were arrested in Buenos Aires in Argentina in November 2009 with nearly 500kg of cocaine.

The fighting between the Zemun and rival gangs is so fierce, meanwhile, that head of the rival Novi Beograd Clan Radoslav Trlajic described Belgrade as "too small a pond for so many crocodiles". He was murdered soon afterwards.

Bojovic stayed on the run until February when he and three of his cohorts were arrested in Valencia, Spain. Serbian police hope to charge him with ten murders. Meanwhile, from his cell, Kalinic is unrepentant about the crimes, boasting, "I've committed 20 murders. I do not regret them as they deserved it. They were fools."

Despite these arrests, many other similar gangs will spring up inside Belgrade, Thompson explains: "Even if the clan themselves have partly disbanded, these men are trained, hired killers and as a result their stock in the criminal underworld will always be high."

HOLLY HAGAN

**GEORDIES
ABROAD!**

The latest series sees the gang leave Newcastle behind for Cancun in Mexico!

WORLD FIRST!

Holly Hagan Topless!

It's the feisty *Geordie Shore* fittie!

Hi Holly! How are you enjoying your first solo *Nuts* shoot?

It's amazing!
I can't believe

that this time last year I was doing a big *Nuts* shoot with all the other *Geordie Shore* girls. Today, I feel even sexier.

It's your first topless shoot too.

I think it's been a long time coming. It's always been a personal dream of mine to be on the front cover of *Nuts*.

Is this a proud day for your boobs then?

You know, I don't normally get them out that much. I do in *Geordie Shore* but this is the first time they've made their own appearance. I think my boys have done me proud!

Are they a familiar sight in Newcastle these days?

Oh yes, I think Newcastle people expect to see them. If I'm on a night out people will always come over and ask to see my boobs. It's like when I go shopping and if I pick out a dress that covers up too much, I'm like, "Nah, not for me."

Are you missing your fellow *Geordie Shore* babes today?

Yeah, it's lovely to have everyone together. Plus it can get nervy if you're on your own and you have your boobs out. But everyone's been amazing.

Who's got the best boobs in the *Geordie Shore* crew?

Sophie has a really good pair. She always seems to just have her left boob hanging out when she's walking around. Obviously, we're allowed to play with each other's.

Are you all getting along well these days?

The new series is amazing and we're all getting along really well – it's going to be like one big holiday. I mean, there's always going to be ups and downs with us girls, but that means it'll be entertaining whatever happens. ►

A full-page photograph of Holly Hagan. She has long, vibrant red wavy hair and is looking directly at the camera with a slight smile. She is wearing black lace lingerie, including a thong and garter straps. She is also wearing black high-heeled shoes. Her left breast is notably larger than her right one. The background is a plain, light color.

HOLLY HAGAN

**“Sophie’s

HOLLY HAGAN

“I’d have sex on *Big Brother* if I fancied someone in there!”

What can you tell us about the new series of *Geordie Shore*?

There's so much sex in this one! It's dirtier and more full-on, but it's also more emotional too. Without giving too much away, there are going to be surprise relationships forming.

Would you ever go on *Big Brother* if you were asked?

I wouldn't say never, but I'd never leave *Geordie Shore* to go on it. I know some of the *TOWIE* lot have gone on it but I think they just do it to show that they have a realistic side.

Would you have sex if you were in the *Big Brother* house?

Yes! I've already had sex on telly so it's not a big deal, is it? If I went on *Big Brother* and there was somebody in there who I fancied, I would.

So where would you take us on a night out?

The Diamond Strip is amazing. Expect to get absolutely mortal within about an hour. There would be shots of every single drink you can imagine, and lots of tashin' on! And there'd be sex at the end of the night.

If aliens landed in Newcastle on a Saturday night, would they be absolutely terrified?

I think they'd be up for joining in the fun. I reckon the Martians would say, "Oh man, why have we been wasting time probing Americans? Why didn't we come to Newcastle sooner?" Ha-ha!

When was the last time you had a quiet night?

I do go out for the occasional quiet dinner with friends but most of the time what you see is genuinely what you get. We go out, we get mortal and that's pretty much our lives!

Do you ever think, "I just fancy staying in and watching *Taggart* with a cup of tea tonight"?

I never think that. Sometimes I don't go to sleep because I think I'm missing out on stuff. You can sleep when you're dead! I never feel tired. ►

HOLLY HAGAN

**“I’ve never turned
down a rude
request in bed!”**

What sort of chap do you like?

You don't have to be good-looking, I just want to be with someone I can have a laugh with and who doesn't love himself more than he loves me. And he has to be good in bed!

You're pretty feisty in the bedroom. Have you ever had to turn down a rude request?

Um... no. Nothing is too rude!

What turns you off in a bloke?

Arrogance – I can't stand it. I get really turned on by nice eyes, and by someone who's just got that something about them but who doesn't know it.

Are there any famous chaps you'd love to "tash on" with?

I don't like celebrities – they all love themselves too much. I reckon my ideal bloke is probably just some dude who lives around the corner and gets on with his life.

What are you making of all the other shows, like *TOWIE*?

I don't get all that scripted reality stuff. I have friends from other shows – they're lovely people – but how can you relate to shows like *TOWIE* when they don't come from working-class families? We don't all wake up looking perfect. At least on *Geordie Shore* you see us when we're hungover and looking rough and having a bad day.

Do you ever watch yourself back on telly and think, "Oh my god!"

There are bits that I cringe at, but I think if I was a normal person watching myself I'd find it hilarious. Embarrassing things happen to us all.

Thanks for the chat, Holly!

Finally, what advice would you give to someone who wanted to kiss a pretty lady like you?

Don't be shy! Come up, have a bit of a laugh. You'd be amazed at how much a girl will like you for who you are. **X**

NAT GEO WILD/HD • 8pm

This week, it's off to the Revillagigedos Archipelago, which Wikipedia tells us is in the Pacific Ocean and belongs to Mexico. Mexican waters are always good for a bit of big shark action, and soon enough, the Shark Men are having close encounters with sharky-boo-boos of the tiger, silky and silvertip varieties. We love sharks!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'Our rampant gym sex'

IT WAS a really hot day in the gym and a blonde personal trainer who caught my eye was wearing a pair of shorts that made her bum look so tight and juicy. We exchanged sexy looks then, as the last person left, I took my chance to go over and speak to her. Before I could say anything, she'd started grinding on me and soon we were having rampant sex over the exercise ball. Within minutes, we'd both climaxed. I then returned to the weights as if nothing had happened, although we kept exchanging looks of satisfaction.

Anon via email

'I dropped to my knees'

I SWIM for the local team and one morning, as I was doing some warm-up stretches, I noticed a new hunk of a lifeguard on the chair. He was smiling and

couldn't seem to take his eyes off me. I decided to go over and introduce myself. We talked and flirted for a while before I explained I was going to get changed. A couple of minutes later, there was a knock on my cubicle door. I answered it and found my hunky lifeguard stood there.

I pulled him in and closed the door behind us. When I pulled my swimming costume down to my waist, his eyes lit up as I revealed my 34DD breasts. He gently played with them and I could see the bulge in his shorts getting bigger. I could feel myself getting wet so I dropped to my knees, pulled down his shorts and took him in my mouth. It wasn't long before he came. He's now my boyfriend and we often laugh about our first encounter!

Lara via email

'We did it in a minibus'

MY BOYFRIEND and I were in a minibus on the way back from a night out. Our friends were in the front, talking, with the music blasting out while we were just chilling out in the back. Being drunk and feeling very horny, I started to move my hand up and down my boyfriend's length. He responded to this by sliding his hands down my pants, making me really wet. He unzipped his trousers and I climbed on top of him. At this point he moved my thong out of the way and we started pleasuring each other on the seat. No one was any the wiser but before long, it was the first drop-off where most of our friends got out, so we had to stop in case anyone noticed. We then carried on the fun back at home.

Sophie Essex

'My naughty neighbour'

LAST YEAR, I got home from work one day to discover I'd left my keys at the office. It was freezing cold so I knocked on my neighbour's door. I've always had a crush on him so I was pleased when he invited me in for a drink while I waited for my housemate to get home. I was wearing a really tight dress under my coat and I noticed him staring at my breasts. When I could see that he couldn't resist any longer, I put my hand on his thigh and he started kissing me. He put his hand under my dress then went down on me. I ended up on the kitchen table and climaxed within minutes. It was the most intense orgasm ever and I felt so naughty. I've "accidentally" left my keys at the office a number of times since!

10 RUDE QUESTIONS!

And a real girl to answer them!

Beckie D

18 Leeds

1 Where's the strangest place you've had sex?

"The strangest place would be in Starbucks' toilets, or maybe the top deck of a double-decker bus!"

2 What's your trademark move in the bedroom?

"I don't really have a trademark move. I like trying different things, but I'm very flexible!"

3 What turns you on?

"I love being massaged and getting my neck kissed. It really gets me in the mood!"

4 What's your favourite position?

"I love being in control, so it would definitely have to be reverse cowgirl. Men love the view!"

5 Is it better to give or receive?

"A bit of both. I like giving because I like keeping my fella happy. I think I prefer receiving though."

6 What would you like to try but haven't yet?

"I'm very experimental so there isn't much I haven't tried. I'd like to join the Mile-High club!"

7 Ever got it on with another girl?

"I've had quite a few drunken snogs with girls, but nothing more. I'm always up for trying new things though!"

8 What's your favourite role-playing costume?

"I find nurses' costumes and things like that just a bit boring and clichéd. I like being quite a lot naughtier than that. I really love wearing sexy outfits from Ann Summers with suspenders, a whip and some handcuffs!"

9 Have you ever made a sex tape?

"I certainly have! Let's just hope my phone never gets stolen!"

10 What's the rudest thing you've done?

"The rudest thing? Absolutely everything I do is rude! Ha-ha!"

"I love sexy outfits with suspenders, a whip and some handcuffs!"

Nuts SPORT

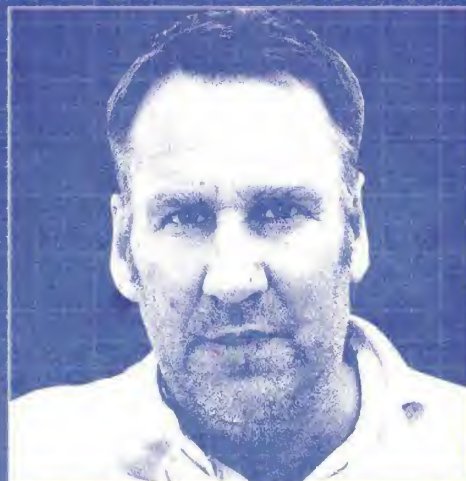

Merse's England Blueprint!

Nuts legend Paul Merson's future plans for Uncle Roy's boys!

FORTY-SIX YEARS of hurt and counting!

Another major tournament is over and England have yet again failed to lift the trophy. So where do Roy Hodgson's team go from here? With the World Cup in Brazil coming up in 2014, and Euro 2016 to look forward to after that, how do England make sure they don't end up on yet another early flight home? We spoke to Nuts legend Paul Merson to find out.

INTERVIEW: TIM BURNETT PHOTOS: ACTION IMAGES

CHANGE THE FORMATION

"England have no fluidity at all. Roy Hodgson must ditch his static 4-4-2 formation and switch to a three-man midfield. Not only will it give England more of the ball, it will also stop the lads being overrun like we saw against the Italians. We must adapt to the modern game."

DON'T THROW OUT THE OLD GUARD... YET

"There are no quick fixes to make England a force in international football. Hodgson has World Cup qualifiers right around the corner and mustn't panic. Now is not the time to be making wholesale changes to our team. It has to be a measured progress."

"Beep, beep! Genius coming through!"

"You lot leave my Ashley alone when he's singing!"

QUALIFY FOR THE WORLD CUP

"This has to be Hodgson's top priority. I see Brazil 2014 as a huge stepping stone, a chance to blood the newer players and get them used to tournament football. We really have no chance of winning, but the experience could be crucial for future championships."

"You're supposed to take the top off, Wayne"

GET THE BEST OUT OF ROONEY

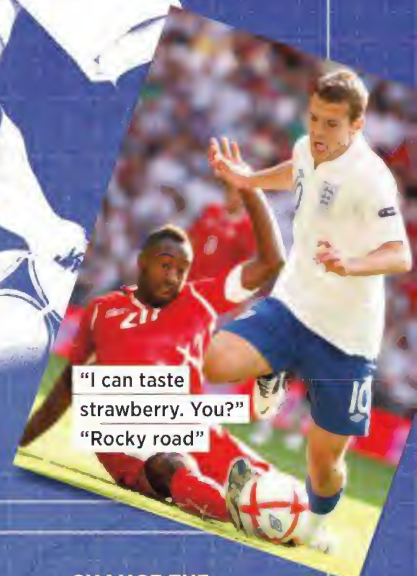

"Yet again, Wayne Rooney looked lost playing for England in a major tournament. There's no doubt the striker is world class but Hodgson must give him a free role and not shackle him with defensive responsibilities. Let him off the leash, Roy!"

Nuts SPORT

AIM FOR EURO 2016

"Realistically, this is the next tournament where England can hope for success. If young talent like Kyle Walker, Phil Jones, Alex Oxlade-Chamberlain and Jack Wilshere can develop and gain experience in Brazil, we can compete in 2016. Wilshere in particular can be world class."

"I can taste strawberry. You?"
"Rocky road"

TheFA

CHANGE THE COACHING STYLE

"The FA have to use the National Football Centre to change the way we bring youngsters through. The new breed must use smaller pitches and concentrate on keeping the ball."

DON'T BLAME THE PREMIER LEAGUE

"Many say the number of foreign players in the top flight has hurt our national game but I disagree. There may be fewer English players to pick from but if you're good enough, you play."

EXCLUSIVE!

Hamilton: 'This could be the best season ever!'

The former world champion talks to Nuts ahead of the British Grand Prix!

➔ Hi Lewis! How's the F1 season going for you so far?

We've done OK. We're in third but still have a lot of work to do. The Red Bull team [Mark Webber and Sebastian Vettel] is a strong car and Fernando Alonso has had a great start, but we'll keep on doing what we can. This is shaping up to be one of the most exciting F1 seasons in recent memory.

Why's it so exciting?

The intensity – every race is on the edge with a number of drivers able to win big points. I think you'll see a championship that goes down to the wire.

Have you got over the frustration of crashing out of the European Grand Prix?

That's racing. I'm not saying I'm exactly delighted about

what happened but if you're going to be an F1 driver it's inevitable you'll experience disappointments. Contact with other drivers is also inevitable. There's no point beating yourself up about it. Although having put my heart and soul into the race I was angry.

Although Pastor Maldonado was penalised for the crash, it did again raise the question about your racing tactics...

For me it's a non-issue. People saw what happened and a decision was made. As for my style or behaviour on the track, I can only keep repeating, time after time, that I'm paid to win races. It should be in the heart of every driver to try to get past your opponent – fairly, of course – but the instinct is to race. Sometimes things happen. If everyone settled for their starting position, we'd see some dull F1 championships.

Despite the disappointment in Valencia you seem happy with your lot these days...

It's true. I'm in a good place. I'm happy with my team and

my life off the track is going great too. I try not to forget how fortunate I am to do what I do for a living. I've got a great team who are pushing all the way to try and ensure we have a successful season. For them alone I want to achieve success. As for Valencia, there's no point crying over what happened. You suck it up and move on to the next race, which just happens to be the British GP.

You must be looking forward to racing on your home turf?

The British Grand Prix is special. Last season I was blown away – we had never seen so many people at Silverstone. It really spurred me on. The crowd are incredibly knowledgeable and appreciate good racing. I can't think of a better place to get back to winning ways. It won't be easy though.

What do you think will be key to your success for the rest of the season?

Being consistent more than anything else. You've got a number of teams or drivers capable of winning races. I can't see anyone running away with it. So, it should be about strategy not just going hell for leather to win every race. The driver who amasses points sensibly and looks at the bigger picture should be the one who ends up as champion.

So does that mean we'll see a more conservative Lewis Hamilton in the future?

No, not really. I'll still be the same person, wanting to win

every race I'm involved in. I hate losing at anything – I want to be the best at absolutely everything I do – so there's no change there. But maybe sometimes I'll be thinking smarter in certain situations.

Do you sometimes wonder how the hell all of this happened to you?

I'm a normal guy, who went to a normal school and generally has had a normal upbringing. It's just what I do for a living that is so weird. Some things haven't changed though – my desire to win, for one. I'm a really terrible loser and very hungry to do well. I don't suppose that will ever be any different.

● The British Grand Prix is on BBC Two/HD and Sky Sports F1/HD on Sunday 8 July at 1pm

LEWIS' SEASON!

Lewis won the Canadian Grand Prix last month – his first and only win of the season so far.

"Hmm, a gentle north-easterly breeze, I reckon"

"OK, kids, can you guess which hand the squished mouse is in?"

F1 fittest WAGs

Lewis is with Nicole Scherzinger, but who else gets our engines revving?

XENIA TCHOUMITCHEVA

Forget the two world championships, dating this Swiss Miss is Fernando Alonso's greatest achievement!

JESSICA MICHIBATA

Jenson Button hasn't been left behind in the WAG stakes – he's been dating Japanese model Jessica since 2009.

JENNI DAHLMAN

The ex-Miss Scandinavia is married to Lotus driver Kimi Räikkönen. We'd go once around the track with her!

YU ABIRU

Sauber's Kamui Kobayashi may not be having a great season, but he's always in pole position with this beauty!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Becks always found barbecues amusing

Becks deserved Olympic spot!

Goldenballs had done more than enough to be at London

➔ **I, LIKE** most people, was shocked to hear that David Beckham hadn't made the Great Britain football squad for London 2012.

I spoke to Becks at the England versus Belgium match before the Euros last month and he said he hadn't heard a thing from manager Stuart Pearce, so maybe the writing was on the wall. But

all the same, it's still come as a huge surprise! Old Goldenballs may be taking it easy over in the MLS but he's still a cracking player and someone who I could see filling a Pirlo-style role for team GB.

More than that, Becks is a superb ambassador for this great country and was a crucial part of the Olympic bid process. Without him,

we probably wouldn't even have the Games! It's often said that there's no room for sentiment in football but with Beckham it's different, and I still believe he has enough to offer the team to warrant a place. He loves his country and would have given everything to make sure we came home with a medal. You've got it wrong this time, Pearcey!

"Look at him, he's not crying!"

Uncle Roy must build on Euro campaign!

THE EUROS have been fantastic entertainment and I'm gutted they're all over! One thing I was disappointed with, however, was England's performance against Italy. The way we surrendered possession and played so negatively was hard to swallow. Why didn't we come out fighting? Why even rely on penalties when we're so awful at them? Despite the loss, it was a pretty decent campaign for Uncle Roy. He had little time in charge and we always knew it'd be tough. Let's just hope we can build on this tournament and go forward! Bring on Brazil 2014!

My team of the tournament

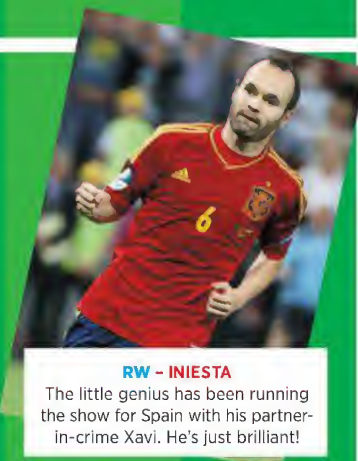

LW - RONALDO

He carried Portugal through the tournament and was superb in spells. His hair also looks lovely!

CF - BALOTELLI

You can't keep the Italian out of the headlines. Super Mario came of age and scored crucial goals.

RW - INIESTA

The little genius has been running the show for Spain with his partner-in-crime Xavi. He's just brilliant!

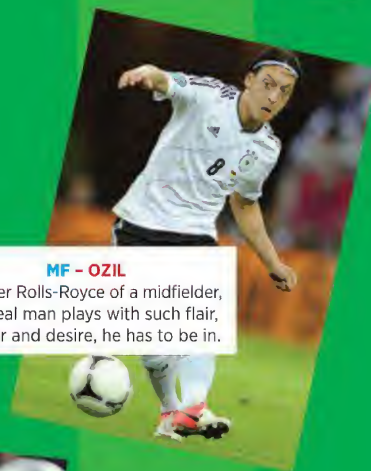

MF - XAVI

You can't have Iniesta without Xavi. The Barca man's the conductor in Spain's midfield orchestra. Sublime!

MF - PIRLO

What a player this guy is - he struts around the pitch passing for fun. Against England, he was terrific.

MF - OZIL

Another Rolls-Royce of a midfielder, the Real man plays with such flair, hunger and desire, he has to be in.

LB - COENTRAO

The Portuguese full-back has a terrific engine and will run all day. He excelled against Spain.

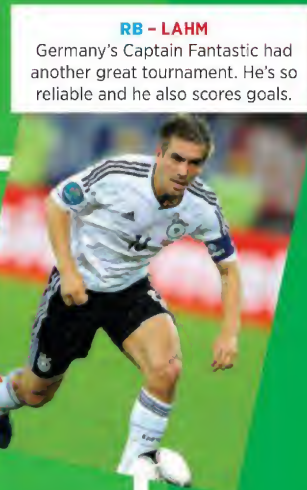

CB - BALZARETTI

This guy was incredible for the Italians! His tackle on Marco Reus in the semis... Wow!

CB - PIQUE

The Spanish defender had Ronaldo in his pocket during the semi-final. His distribution was fantastic.

RB - LAHM

Germany's Captain Fantastic had another great tournament. He's so reliable and he also scores goals.

GK - CASILLAS

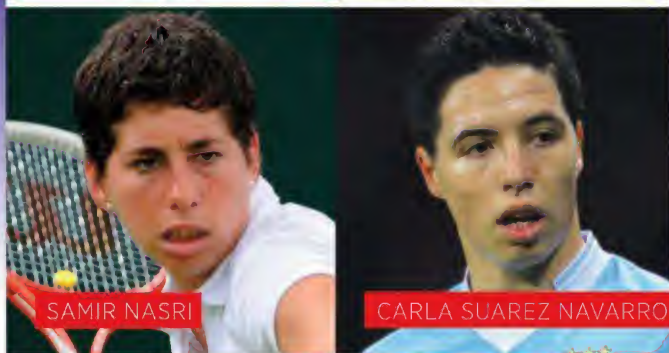

Joe Hart and Rui Patricio ran the Spaniard close, but Iker is a class act and always makes the right decisions.
